Report on Reopening - Reassess Threat Level : Chris

- Threat level is currently "Severe" - no immediate plan to return
- Fanwood is looking for us back - not yet

Budget and Finance: Cass

- **Reports reviewed**
- **Looking onto shifting treasurer duties to a paid function and we still NEED a volunteer to supervise this church work.**

Discussion: Do we have the funds? Yes. Is just running the reports worth it? Is there more to it? Some reporting is from Breeze, not Quickbooks. There is a concern that this is not worth the additional \$60/month proposed.
